Summertime in Coronado!

New Resort Manager

We have bittersweet news to share. After nearly four years with Coronado Beach Resort, we are sad to announce that Leon Martin has moved on in his career. Leon has been an amazing leader to the team here at Coronado Beach Resort; his kind spirit, sense of humor, and passion for service will be deeply missed.

Leon Martin

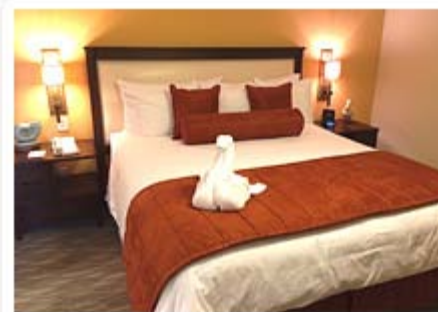

However, we are excited to introduce Amanda Dolan as the new General Manager. Amanda started her career with Grand Pacific Resorts in 2009 at Carlsbad Seapointe Resort. For the last three years, she held the position of Assistant General Manager at Grand Pacific Palisades Resort, and was recognized on a national level this year, receiving the Silver ARDY for Resort Assistant General Manager of the Year from the American Resort Development Association (ARDA). Amanda is passionate about hospitality, service to our Owners, and the professional growth of her associates. Her favorite part of working for Grand Pacific Resorts is creating meaningful personal and professional relationships with so many remarkable people. She is looking forward to getting to know each of you, and to learn more about our little piece of Paradise.

Amanda Dolan

Remodel Update

Work on the unit interiors continues with steady progress! All carpet replacement has been completed, additional lamps and accessories are on the way, and we will begin our artwork install next month. We are so proud of how the units are looking and know you will enjoy the upgrades and the feel of your home away from home next time you visit.

Activities Update

Angelica has added yet another activity to the list of terrific things to

do here in Coronado! Geo-Caching has become such a popular activity in areas all over the world, so we decided to join in on the craze! Next time you stay, pick up your very own Geo-Cache Kit which includes maps, clues and items to exchange, and join in on this world-wide scavenger hunt! We have over 20 Geo-Cache sites right in our own backyard!

Independence Day Festivities

We are also gearing up for 4th of July Festivities! If you choose to spend your Independence Day on the Island, please remember that parking at the Resort is limited. We recommend carpooling and getting here early.

Front Desk Service

The Front Desk team strives to provide you with consistent service each time you and your family stay at the Coronado Beach Resort. The Front Desk team recently implemented a new procedure that personalizes your vacation, with activity schedules and information on local events sent in advance. Additionally, if you call in advance to advise of us a special occasion or vacation preference, we can customize your check-in experience accordingly.

See you soon!
