The Shore Line
July 2014

Summer is here!

Come check out some recent upgrades to the Resort! Units 1309, 1319 and 5118 received new staircases. The deck in Unit 5118 was also refurbished during our recent Stair and Deck project. The project was completed in three weeks and truly enhances our beautiful resort grounds.

Meet the new members of our team

Alejandra Torres became part of our housekeeping team this past April. She enjoys working in the hospitality industry and looks forward to cross training in other departments.

Mario Campo recently joined our maintenance department in May. Mario is excited to be part of the Channel Island Shores team and looks forward to growing within the company.

Sales and Activities

The Association has vacation intervals for sale! The Grand Pacific Legacy Sales Group is helping us gain new Owners. Referrals that lead to new Owners closing escrow are appreciated and rewarded! If you know anyone that would love to enjoy our beautiful resort contact, Chuck Keiper at 805-984-0184.

Our new Sales Program began on May 1st. We are happy to share their success over the past few months. Sales also hosted our first wine and cheese social on May 2nd. The lobby was full of activities with attendees joining us throughout the hour. Owners and Guests were happy to be the first to enjoy this new activity. We look forward to our Owners joining us on a weekly basis.

Our new Pocket Tour books are now available in each unit. These handy laminated travel guides are small enough to carry and provide helpful information while touring our local area. We have received great feedback from everyone regarding this useful vacation tool.

Credit Card Payments Available

Need to pay your assessment fees? Credit Card payments are accepted online anytime! Visit www.advancedfinco.com and go to the EZ Pay section to make a payment.

We look forward to your next visit with us!
