

## Indian Palms DATEline

May 2014

It's all happening in the desert

### ***Musical Spring!***

The Coachella and Stagecoach music festivals that take place every year at the Empire Polo Club are world renowned and beneficial for the entire Coachella Valley. We are very lucky to be conveniently located within a mile from the event site. Our Owners and Guests enjoy the ideal location and often have the pleasure of greeting their neighboring celebrities. We were able to capture images of kids with Disney star, Bella Thorne, and Indian Palms associates enjoying the Coachella art scene. We hope to see more Owners and Guests next year during these fun April dates.

### ***Employee of the Quarter***

I would like to announce and congratulate our fabulous Housekeeping Team Member, Teresa Alvarado, for being selected as the Associate of the Quarter! Teresa has been a housekeeper at the Indian Palms Vacation Club since 1999. She truly enjoys working in the Hospitality industry. As our Housekeeping Supervisor, she is the back bone of our daily operation. Please help me congratulate her during your next visit.

### ***What is happening?***

The temperature may be rising in the desert; however, the fun stays consistent. Over the years more and more summer attractions have been developed around the valley. We encourage our Owners and Guests to come stay with us this summer and enjoy our refreshing pools and/or perhaps attend one of the following attractions:

- Wet n' Wild Palm Springs (formerly Knott's Soak City Water Park)

The popular desert water park is under new management and features numerous water slides, an 800,000 gallon wave pool, the popular Kahuna Beach house, and the exhilarating Pacific Spin. For more information visit [www.wetwildpalmsprings.com](http://www.wetwildpalmsprings.com).

- Hacienda Cantina & Beach Club (opening Summer 2014)
