## ALOHA!

### Upcoming Annual Meeting

This month, you received your proxy and annual meeting information. Why is it important for Owners to vote? If enough votes are not received, the June meeting will have to be rescheduled, which is costly for your Association. If you are not sure for whom to vote, you have the option of either signing the proxy and sending it back which will give your vote to the proxy holder or signing the proxy and withholding your vote which will be counted toward quorum only. Remember to vote!

### ***Bonus Time***

Bonus Time = More Time for You! Bonus Time is a wonderful program for our Owners to add additional nights at The Makai Club for the lowest rate possible. Owners are able to request 60 days before their travel date to add nights around their Ownership week, or extra nights as a get-away. If available, condos are \$133 a night and cottages are \$195 a night (plus applicable tax). Bonus Time is a great benefit for you to enjoy more time at your vacation home, The Makai Club. To enquire about availability, visit [ResorTime](#), call (877) 477-7368 or call your resort at (808) 826-8815. Happy Traveling!

### ***Meet your staff***

Since we now have our own dedicated Makai Club Staff,

we are going to take the opportunity to introduce you to each of them! At our Front Desk, is Hattie Childs. Hatti, a veteran in the hospitality industry, always has great suggestions for our Owners' vacations and works closely with our guests. She recently said that she loves having the empowerment to meet guest needs and she enjoys looking for ways to enhance their vacations. Hattie's husband Mick is a tournament fisherman. So now you know who to ask for fishing tips when you are on island!

Also at the front desk is Jackie Hawelu, our Front Office Supervisor. Jackie has worked in the hospitality industry on Kauai for over twenty years. Jackie leads the team to make sure you have an incredible vacation experience! Jackie works closely with other department managers to ensure that communication is relayed between departments, guest requests are handled, and every guest is having a wonderful vacation.

***Remember to follow us on Facebook!***

Each day a picture of beautiful Kauai, your favorite island, is posted to enjoy. Reminisce and plan for your next trip to your vacation home!

A hui hou!

Julie Daronco
