The Panorama Insider

July 2014

Changes Abound at Panorama Village Retreat!

We are so proud of all the upgrades and changes around here. Come see for yourself.

New Living Room Furniture in Many of our Units

New sofa beds and arm chairs were delivered to 26 of our timeshare units. Special thanks to all Owners that were here in week 21 for their patience as we coordinated the delivery. Thanks also to the volunteers who assisted with the delivery and the removal of the old furnishings. We now look forward to next spring when the final 27 units get their new furniture as well.

Summer is here!

There are a few changes to our bustling activities program. The kids fun zone including Eurobungy, the Bouncy castles and climbing wall have moved from the Upper Village to the lower village near the Adventure Center and tennis courts.

There is a new chairlift being built in the Upper Village to increase access to the beginner terrain for the 2014/15 ski season so there is construction on the mountain this summer. The Mile One Sightseeing Chairlift will operate until August 30th to take advantage of the amazing Mountain Views. It's \$14 per adult and a family rate for 2 adults and up to 3 children under 18 for \$44.

The Mountain Bike Park opened June 27th and will be accessed by the Mile One Chairlift until the end of August.

Mountain Yoga is offered at the top of the Mile One Chairlift again this summer seven days a week, twice a day (\$20 per person). The deck has been expanded to allow for 15 people a session.

Greywolf Clubhouse update

Greywolf Golf Course is in beautiful condition. Until the new facility opens, the current clubhouse is still being used and Carrick's restaurant is serving breakfast, lunch and dinner from 8am until 8pm. Please note that Greywolf made the difficult decision to close the golf course as of Sunday September 21st. Closing earlier than intended will enable demolition of the old clubhouse.

Amy Wilder - Guest Services Assistant

Boil Water Advisory

Since the end of May, a mandatory boil water advisory has been in place. This is an ongoing issue each year due to the turbidity of the water during the runoff of spring melt. If you are visiting this summer, please be prepared to boil water, bring bottled water or buy bottled water onsite. We provide one 4 liter jug in each unit on arrival. Corix Utilities is working with the resort to find a solution to eliminate the need for boiled water conditions. We will keep you informed.

Welcome Amy Wilder, New Guest Services Assistant

Amy Wilder has joined us as the Guest Services Assistant. Amy was born and raised in Invermere and is a wonderful source of local knowledge and for all the best local restaurants in the area. She is a recent graduate from Mount Royal University with a degree in Business Administration and a BA in Psychology. Please join me in welcoming Amy to Panorama Vacation Retreat.

Both Amy and I are looking forward to welcoming you home to the resort this summer! See you soon!

Best Regards,
Andrea Hopkins
General Manager
