Red Wolf Howl

April 2014

Good news from Red Wolf as we welcome spring!

Reserve Work Scheduled

Final preparations are being scheduled for the large amount of work being accomplished this spring. During the resort's maintenance week of 5/18/14 – 5/25/14 the following work will be completed:

- New sofa's (all units)
- New carpet (all units)
- Exterior painting of all buildings except Mt. Tallac
- In-room artwork (all units)
- Cement work on sidewalks and brick patios

With this facelift the resort will look amazing and we can't wait for the results.

Getting Warmer Out

With the warmer temperatures we've added some of our favorite resort activities to the schedule.

- S'mores Galore is later with more daylight hours.
- A resort walk in the Regional Park with Erin and her famous Labrador Retriever Molly (get your doggie fix) watching the spring flowers starting to bloom.

Events you can look forward to in May & June will be a Pottery and Mosaic Tile Class, Trini's famous BBQ, Kelly's poolside Sangria Social, an intermediate resort hike, and the Kings Beach Farmers Market. Pool and boat equipment will be available (weather permitting). We're looking forward to bringing the fun to you.

Annual Meeting Reminder

It's almost that time of the year again; time to celebrate your Ownership at the Annual Meeting. Please save the date for June 7, 2014. The meeting will be held at the North Tahoe Community Conference Center in Kings Beach. Prior to the meeting, please join us at the resort's lakeside deck for an amazing gathering. We are looking forward to presenting all the accomplishments of 2013.

Best regards,

Erin O'Brien
General Manager
