Beach Club Journal

June 2014

Feels like summer at The Beach Club...

We are half way through 2014 with many projects completed along the way, such as new interior flooring, new commercial laundry equipment and new sofa sleepers. Team Beach Club continues to work daily on maintaining the property to ensure it's in the best condition for your arrival.

Homeowner Annual Meeting on Saturday May 3rd

Special thanks to all the Owners who joined us in the celebration of Ownership. If you were unable to make it, you were missed, although with us in spirit. We had a catered Cinco de Mayo theme fajita bar with all the side dishes. Many vendors including RCI, ResorTime, GPX, Owner Services, the Legacy Sales Team and the Grand Opportunity merchandise were present for our Owner Expo. Board elections were held and all the incumbents were re-elected. We also discussed the overall Resort operations, Associate recognition, and some plans for the rest of the year, like the new Jacuzzi tub!

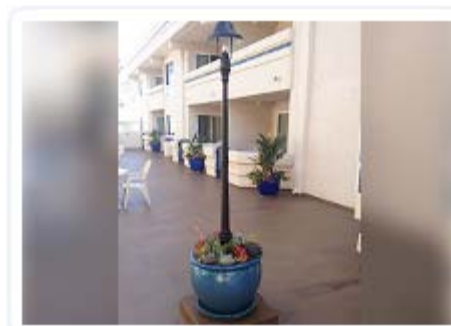

Resort Staff Promotion

Cody Asselin has been promoted to Guest Service Supervisor. He was working with GPR's Owner Services Department helping Owners with their questions about how to best utilize their vacation week(s). He also conducted training classes to help educate Owners and GPRM associates on Timeshare Ownership, RCI, GPX and ResorTime. What are the two most important words for Cody Asselin? GUEST SERVICE. He has taken some of the best activities from other Grand Pacific Resort managed properties...Big Bubbles, Movie Night, Popcorn Fiesta, Restaurant Discount Cards, Surfboard Rentals, to name few, and has brought them to new heights. His focus is on enriching lives through extraordinary experiences while you are visiting your Home-away- from-Home.

New Look

A new lamp post was tested during the Annual Meeting and the feedback was positive...so take a look at our new 2nd floor lamp posts... we have installed five new ones, which are secured in a large decorative blue ceramic pot that we accented with low watering succulents. The Beach Club's new 2014 tee-shirts have arrived. Pick yours up next time you are here.

Associate recognition

Enriqueta Escamilla was voted by her fellow associates as the Employee of the 1st quarter. The Team appreciates her flexibility, resourcefulness at handling housekeeping responsibilities and going above and beyond for Owners & Guests; as well as always being helpful to her fellow co-workers. Congratulations to Enriqueta.
