BEACH RESORT

Coronado Islander

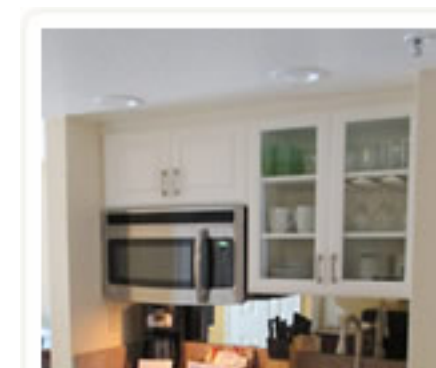

February 2015

Greetings!

Remodel Update

I am thrilled to announce that the Coronado Beach Resort unit remodel is complete! The rooms are stunning with upgrades throughout. Feedback we have received has been wonderful, particularly with full vanities in the bathroom, stainless steel appliances in the kitchen, and the comfortable new sofa sleepers. The color scheme is very warm and inviting – we look forward to

welcoming you back to your Home Resort soon! We are also preparing for even more resort upgrades in 2015, which include: Owner's Lounge, elevator interior, gym and spa restroom remodels, brand new spa, and spa deck upgrades.

Resort Resale Department

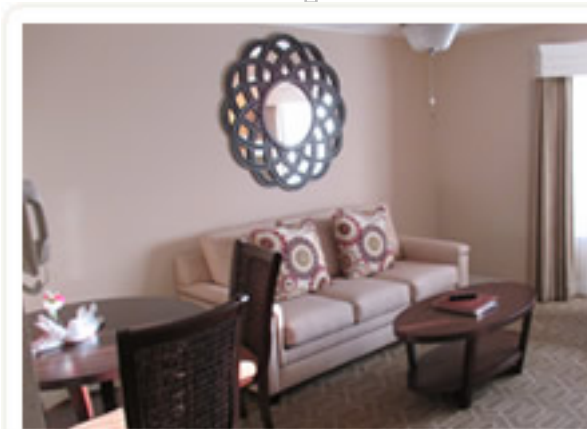

Coronado Beach Resort has some great weeks available for sale! The resale team also has a very enticing Owner referral incentive program to make you aware of. If you have any friends or family that would enjoy Timeshare Ownership at Coronado Beach Resort, as you have throughout the years, please contact Meaghan Farley directly at (760)715-9800. For a limited time only, if your referral purchases a foreclosure week, you will receive \$300 off your annual maintenance fees.

Local Activities

We definitely pride ourselves on the many activities we offer here at the resort. However, with a location such as ours, the off-site options are endless. Our team is currently working on putting together an all-inclusive list of ideas and suggestions for our guests to enjoy, and nobody knows this area better than our Owners! Please respond to this e-mail with your favorite local attractions, tips for getting around town, hidden gems, and fun activities so we can include them in our updated list of local activities and must-sees!

Del Beach

Good news about the "Del Beach" across the street. Recently, there has been some concern among Owners that the Hotel Del Coronado was taking over part of the public beach. As it turns out, the Hotel Del's property line extends into the sand in front of the hotel and last summer was the first time they decided to set up chairs, umbrellas and cabanas so that visitors and the general public would have a place to order food and drinks. The impact on the public beach area

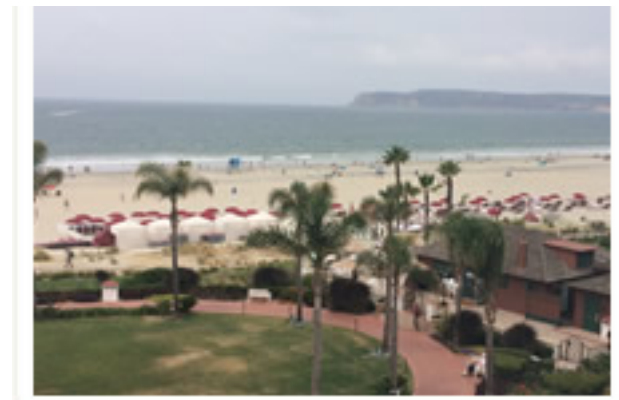

is extremely minimal since it jogs right up to their property.

The entire team looks forward to welcoming you and your family soon!
