The Shore Line
March 2015

Hello Channel Island Shores Owners,

I would like to share with you some of the exciting things happening at your resort!

We recently received kitchen packages from one of our Grand Pacific sister resorts; blenders, toasters, pots & pans, ironing boards, silverware and plastic glasses and pitchers are just some of the items. The resort team is very grateful to have these items to help replace and replenish our inventory at no cost to the Association.

Owners and Guests enjoyed some of our new activities in January and February. There were many participants that joined us for the Crazy Hat Day activity during our weekly Wine and Cheese Social. Our own Board President, John Miles, recently joined in on the fun! The Photo Scavenger Hunt activity has also been successful. New activities are added every month to encourage Owner and Guest participation.

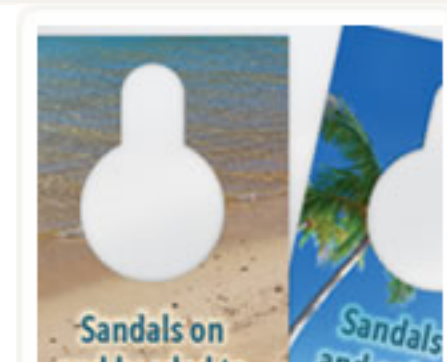

The maintenance team is focused on completing several projects this year. Resurfacing of the kitchen tables and end tables is scheduled to be completed this year. This is one way that the maintenance team is increasing the life of the Association's assets. The team remains diligent with daily spa service and the preventive maintenance program.

The Housekeeping team celebrated Valentine's Day by providing all Guests with a special towel origami in their room.

New "Do Not Disturb" door hangers were recently purchased for the resort. The new design and artwork helps celebrate our beach location!

Do you enjoy your vacations at Channel Island Shores? Share the joy with family and friends and you could be eligible for a \$300 referral fee (\$300 will be applied to your HOA dues account) after close of escrow! Refer your friends and family to our sales department by contacting Paul Praver at (808) 280-1234.

Want an easy way to make your use week reservation for 2015 and 2016? Owner use week reservation requests can now be made online by clicking on the following link: [CIS OWNER RESERVATION REQUEST](#). Reservations are available up to 50 weeks in advance! Our arrival days are Sundays, Wednesdays and Fridays. The Front Office team will contact all owners that place their reservation requests online to confirm fulfillment based on availability. Please note that all call-in reservation requests will be the first reservations filled.

We look forward to your next visit with us!
