### **New Activities Lounge Offers Fun For All!**

Owners were eager to have access to an indoor recreational area and we listened! During our annual meeting in March we presented our new Activities Lounge! We hope everyone who attended the Annual Meeting had the opportunity to stop by the lounge. It is centrally located near Pool #2 and includes a large screen projector,

audio system, pool/ping pong table, vending machines, table games, and a relaxing lounge area to read a book from our library. We now have the opportunity to maintain a strong activities calendar throughout the hot summer months, and offer our Owners and Guests additional amenities. An image of our updated weekly Activities Calendar has been included in this email for you to review and plan your upcoming memorable vacation.
