ALOHA!

It is an exciting New Year at the Makai Club Resort! With each New Year we email you a link to fill out our Owner Survey so you may give us your feedback on The Makai Club and all the services offered. We hope that each experience has been

a great one and we are looking forward to your insights. Please remember to complete the survey, your opinions count!

We were very busy during the last quarter of 2014. The old pool fence was taken out and a beautiful new fence installed, which is just the beginning of the pool beautification project. We will be installing new lights around the pool as well as a fire pit with comfortable seating. Relaxing island music now plays every day at the pool. Owners are enjoying the complimentary pool toys and noodles. Even the aquatic exercise equipment is being requested by Owners who like to stay in shape during their vacation.

As you enter the resort, a new sign is clearly visible on Lei O Papa. This will certainly help first-time guests to Makai Club. The sign can be seen from both directions and is wonderfully highlighted with bright lights. Throughout the resort, directional signs have been added to help everyone find their Cottage or Condo. In the first quarter of 2015 accent lights over each Condo building number will be installed to improve visibility of the numbers.

As you plan your visit to the Makai Club,

remember we have complimentary purified water. So no need to buy a case of bottled water, just bring a bottle to refill! It is our way of helping keep our beaches and oceans free of plastic. We also have complementary bikes to enjoy your time in Princeville. As we start our second year as the new and improved Makai Club, we look forward to seeing you at your vacation home and ensuring you have the best vacation possible!
