ALOHA!

Early April, vinyl fencing was installed above the retaining walls of the cottage parking areas. It now provides a more complete and finished look as well as a safety barrier preventing anyone from falling off these walls.

Foliage will be added at the bottom of the fence fronting the parking area for a softer feel blending in with our vibrant grounds. Further enhancements include night lights that will illuminate the area adding more glow to your resort.

This vinyl fence is the same product that was used to replace the old chain link pool fence. At the pool, lights were recently added along with some landscaping in preparation for a new fire pit.

We welcome Maricia Finiiray, Housekeeping Supervisor, to our management team. In her first week she took charge of the Housekeeping Department, immediately scheduling deep cleans in vacant units, inspecting units to ensure quality and began retraining staff. Also joining the team as Room Attendants are Sereana McKibbin and John Rey Mata.
