April 2015

### **Hello RiverPointe Napa Valley Owners!**

Spring has sprung in Napa Valley! The trees and flowers are in full bloom and we are quickly approaching our annual move on. We are actively working to organize and prepare the team and cottages to come back to the resort starting in April. This is such an exciting time

as we prepare to welcome more Owners and Guests to the property for our busy season.

### ***Methodo Restaurant***

On Sunday March 1, 2015 Napa once again held the Napa Valley Marathon. This 26.2 mile journey started at the top of the valley in Calistoga and toured through the different Napa Valley applications such as St. Helena, Rutherford, Oakville, and Yountville and ended in the town of Napa. A majority of our weekend guests participated in the Napa Valley Marathon, many of which have been running in it for years. It was truly a beautiful day for a run.

### ***Napa Valley Marathon***

RiverPointe Napa Valley has recently hired a new Maintenance Manager, Ron Campbell, who has over 20 years experience in maintenance. Although he has only been with RiverPointe for a short time, he is already a great addition to the RiverPointe team. From water heaters to room maintenance we know Ron will execute each project with care and hard work.

### ***Bottle Rock***

The Napa Valley is gearing up to host its third annual Bottle Rock Music Festival. This three day music festival starts on May 29th and ends on May 31st. Each day there will be an assortment of music genres on three to four different stages, along with many local vendors serving food, wine and beer. This three-day festival has become a huge hit with locals and out-of-towners.

We look forward to seeing you soon.
