- If you own multiple weeks of the same unit type and color, the reservation request forms for these weeks can be **treated as a single lottery entry** and when they are pulled they will all be assigned at the same time. It is the responsibility of the Owner to indicate their preference for this and indicate this in the Special Needs section of the form. Also, please take advantage of the Comments section on the form, to include additional information to help us get you the best reservation possible.
 - If you own multiple weeks that are not same color/unit type, the worksheets for these weeks shall be separated and each will be treated as their own unique lottery entry and assigned individually when they are pulled. If you would like them arranged a certain way (concurrent, sequential, or widely separated) please indicate on the **"Special Needs"** section on the Reservation Request on each Form and we will do the best we can to accommodate your requests. Also, please take advantage of the Comments section on the form, to include additional information.
- 4. Please provide a minimum of five (5) dates on your request form to improve your chances of confirming your desired week and indicate if week or unit preference is desired. If no indication is made, we will assume week preference. We will call you at the number(s) provided on your reservation form if none of your choices are available. If we are unable to reach you, we will assign a reservation as close to your preference as possible, a voicemail will be left, and we will continue with the lottery.**
