

2023 San Clemente Cove Use Week Reservation

In order to better accommodate requests for a specific unit during the high season for the weeks noted below, we have developed the attached Use Week Calendar and corresponding call-in date for unit requests. Unit requests will be accepted starting at **9:00 am PDT**, on the call-in dates noted below for the week you will be using (approx. 89 days in advance from your reservation start date).

If you have an off-season week, and have requested a specific unit, contact the resort for unit information. Planning on banking your week with an exchange company? There is no need to request a unit.

If you decide to request a specific unit, please have your reservation number on hand so we may verify your unit type and use week. Studio unit owners will be assigned #305.

All requests will be honored on a first received, first assigned basis. Please keep in mind that demands for certain units and/or floors may limit availability. Every effort will be made to fill your request, but we cannot guarantee a particular unit and/or floor. If you have any questions, please do not hesitate to call us at (888) 477-6967.
